Re: 2012 Show Season

Dear Show Host:

On behalf of the Michiana Dressage Club, Inc. members and the Board, I would like to thank you for sanctioning your 2011 show with our club. The time and dedication you put forth allows our members to have a quality experience to develop and expand their dressage skills.

Believe it or not, it is time to look towards the 2012 show season. I wanted to extend an invitation to our current show hosts to reserve their 2012 show date by December 10, 2011. Show hosts whom request the date corresponding to the previous year will have priority, followed by returning show hosts that are requesting a new date.

We are pleased to announce no increases in show sanctioning fees for the 2012 season. The show sanctioning fee includes a full membership for the designated show host/contact. This entitles the show host/contact eligibility for Year End Awards without having to submit an additional membership fee. The full membership also includes the USDF GMO membership, and subscription to the USDF Connections Magazine. We would like to request the show hosts/contact limit their show bill/prize list to two pages per show, so we may keep the Omnibus printing costs contained.

Sincerely,
Suzanne Hall
President
Michiana Dressage Club, Inc.

MDC, Inc RATINGS FOR APPROVED DRESSAGE COMPETITIONS

1. The MDC, Inc has established a rating system for all approved shows to help members identify the type of shows being presented, to encourage schooling shows to employ USEF rated judges and to urge show committees to present USEF/USDF sanctioned competitions. Each show will be assigned a rating of (1), (2) or (3), depending upon the rating requested by the show committee and the information given on the show application.
2. The rating of each show will have a bearing upon the MDC, Inc High Point Awards for each rider competing in MDC, Inc Approved shows. The rating is the coefficient used to determine the number of points awarded for each placing.
 - a. Rating (1): Schooling shows that elect not to employ an USEF-rated judge, nor and MDC Technical Advisor or an USEF T.D., that are primarily interested in providing a small, informal schooling competition of less expense, and aim toward the needs of local riders receive a (1) rating. These shows do not have MDC affiliation nor recognition. Such a show must employ a judge who is at least a graduate of an approved USDF learner judge program (L). In addition, classes may be held in a non-standard dressage arena if it is so stated on the show bill/prize list. Points awarded are multiplied by a coefficient of (1) for year-end awards.
 - b. Rating (2): Schooling shows that meet the criteria of the (1) rated shows, and also have MDC affiliation or approval. A schooling show of a (2) rating must always provide an arena of correct size for all dressage levels in accordance with the USEF rules and must include all required information in the prize list. Points awarded are multiplied by a coefficient of (2) for year-end awards.
 - c. Rating (3): All USEF/USDF sanctioned competitions receive a rating of (3). As USEF rules must be followed, there are no added rules for the rating assigned. A show rated (3) need only follow applicable MDC approval rules. Points awarded will be multiplied by a coefficient of (3) for year-end awards.

Each class should be offered as separate class, with normal fee for each, but with the rider having the option to enter both classes for a special fee (not double the fee of one). The show bill/prize list should state with the class specification that the two classes are to be ridden as one. The rider will ride once, but will be scored twice if both classes have been entered.
