

One of the great new club fundraisers we are doing this year is with Farnam Companies, "Cash for Clubs". To make it a success all we need is for you to clip the proof of purchase seals, (which is the bar code or store receipt for products with no paper label), from products you are using. Our club will get 1 point, which is equal to \$0.20 for each proof of purchase we collect. Complete lists of the products are provided below. For example, I used StrongyleCare and wormed my two horses, saved the UPC code off the box, and now have \$0.40 to give back to the club. As a club, we are able to send to Farnam the bar codes and receipts up to three times until the end of December 2007, so please collect them in an envelope and mail them to me at the following address:

Shelly Moore  
 55021 Buckhorn Road  
 Three Rivers, Michigan 49093

Another option is save them and give me a call. I may be at a show or event, which you are attending. This simple way will take only a few minutes to help the Michiana Dressage Club. I will let everyone know how we are doing. You will be amazed at the number of products in the program. Here is the list we can accumulate points from. I was surprised when I realized just how many I use all the time.

As always, your help is greatly appreciated. The proceeds will turn around and go back to the club and its members.

**DEWORMERS - 1 Point Each**

|                              |  |  |
